XCom Global's Unlimited aXcess plan provides international travelers with unlimited data usage and the freedom to wirelessly roam abroad at a fixed rate in selected countries* around the world. Designed for overseas travelers who are accustomed to having data access at their finger-tips, the Unlimited aXcess plan will support your data access needs outside the U.S. without having to return to excessive international billing statements many travelers encounter after using the data roaming plan from their U.S. carrier.

Key Features

- o Cost savings plans that significantly reduce data connectivity phone roaming charges
- o Connect in more than 40 countries around the globe, almost anywhere and anytime
- o Unlimited daily fixed rate plans
- o Access high-speed internet with speeds up to 7.2Mbps download and 5.76Mbps upload
- o No long-term contracts and no surprise phone bills
- o Integrated Micro SDHC slot that supports a storage capacity of up to 8GB
- o No wires or cables necessary, compact and sleek

Key Benefits

- o Freely roam in any select regions across the globe, from Asia to Europe
- o Use as much data as you require daily and know how much you're paying each day
- o Surf the web, download files and music, swap and share photos, manage email and more at 3G speeds
- o Up-front daily fixed prices with no long-term commitments, pay as you use
- o Store additional files through Micro SD card and transfer to other devices
- o No hassle of carrying wires and cables to connect devices when traveling
- o One-device ready to go that fits in the palm of your hand

* Countries covered under Unlimited aXcess Plan:

Argentina, Australia, Austria, Belgium, Brazil, Canada, China, Czech Republic, France, Germany, Greece, Guam, Hong Kong, India, Indonesia, Ireland, Israel, Italy, Japan, Malaysia, Mexico, Netherlands, New Zealand, Philippines, Poland, Puerto Rico, Russia, Singapore, South Korea, Spain, Sweden, Switzerland, Taiwan, Thailand, Turkey, UK, USA, United Arab Emirates, Vietnam
